

We're excited to announce the  
launch of

We know that fundraising for groups can be tough in a post-covid world. That's why we're launching Field Agent for Good! Anybody can raise money while out shopping for groceries, going through the drive thru for a coffee or even while sitting at home on the couch! Use the information package provided to help your members get signed up so they can start earning!

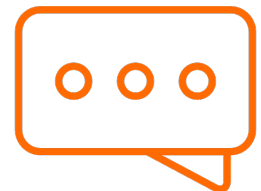

### Step One

Visit [www.fieldagentcanada.com/for-good](http://www.fieldagentcanada.com/for-good) & fill in the form. We'll then send you helpful tools to get started with your group.

### Step Two

You let your club members know that when they download the Field Agent app and complete tasks they can earn money, which they can then direct to your organization.

### Step Three

Group members complete simple tasks, such as taking a photo of their Costco receipt, taking a picture of in store display or providing their opinion.

### Step Four

When your group members are ready to cash out they provide your organization's email address used for online banking and the e-transfer is sent directly to you
